

Ariaform/KPU 20 bar Light water - air hose, discounted stock

Technical specifications:

It is suitable for pneumatic tools, water and air. The hose is persistent against weak chemicals, acids, alkalis, oils, petrol, fats. In case of strong, heavy-duty, it applies well. The hose is lightweight, rigid, and has a great abrasion resistance.

Because it's durability and easy handle, it's recommended for heavy-duty in workshops.

Storage lots, splitting of the rolls are possible. Meantime, we hold the right of selling the stock in products.
