

Ariaform/TPU 20 Really lightweight compressed air hose

Technical specifications:

It's suitable for air and pneumatic tools. The hose is persistent against weak chemicals, acids, alkalis, oils, petrol and fats. It's strong and works well under heavy-duty. The hose is flexible, rigid and greatly abrasive resistant.

Because of its easy handle and durability, it's much recommended in workshops and for heavy-duty.

Felirat: ® ARIAFORM® / TPU - SIZE MM - PN 20 BAR

Operating pressure: 20 bar on 20°C

Bursting pressure: 60 bar on 20°C

Heat resistance: -20 °C/+60°C

Interior: polyurethane, black, smooth

Exterior: polyurethane/PVC, blue smooth

Betétek: szövetbetétekkel

Storage lots, splitting of the rolls are possible. Meantime, we hold the right of selling the stock in products.
