

Betonmetal/85 Concrete pump hose with steel reinforcement

Technical specifications:

The concrete pump hose has steel reinforcement. It can be delivered with Victaulic couplings.

Operating pressure: 85 bar

Heat resistance: -40°C /+70°C

Interior: black, smooth, electrically conductive

Exterior: black, smooth, abrasion and weather resistance, fabric imprinted

Linings: spiralized steel lining

Safety factor: 2

Just for order!

Inside Ø (mm)	Reinforcement	Outside Ø (mm)	Weight (kg/m)
65	2	87	4,2
75	2	101	5,2
75	4	101	5,5
100	4	128	7,4
102	4	130	8
125	4	153	9,4
127	4	155	9,9
150	6	185	14,4
