

Milkcord/Spirit-SP FDA Alcohol resistant up to 96% alcohol content, suction/discharge rubber hose

Technical specifications:

The multipurpose food quality suction, and discharge hose is suitable for animal and vegetable fats and oils transport, and extremely persistent against alcohol, up to 96% alcohol content, for example wine, distillate, grape must, fruit juices etc.

It is phthalate and animal derivatives free. The hose is flexible, even on low temperature. It has a great resistance against chemical medium, which occurs during cleaning.

Felirat: logo - MILKCORD/SPIRIT-SP/10 - ADI free - ftalate free - FDA - DM - gyártási adatok

Operating pressure: 10 bar

Bursting pressure: 30 bar

Vacuum: -0,9 bar

Heat resistance: -25°C/+80°C (for short time +120°C)

Interior: white, mirror-smooth rubber, taste and odor free

Exterior: blue synthetic polymer, abrasion and weather resistant

Linings: fabric lining and steel wire helix

Roll size: 40 m

Standard: FDA CFR 21 item 177.2600, M.D. 21/03/73 and modification

Storage lots, splitting of the rolls are possible. Meantime, we hold the right of selling the stock in products.
