

MPC Stainless steel clamp Made of a 9 mm wide stainless steel band

Technical specifications:

The reasonable price is cost effective and it's a good solution with simple fastening tasks because of its stainless steel material.

The edges of the band are rounded to not damage the exterior of the hose.

Band width: 9 mm

- Bolt:** galvanized steel
- Band and housing:** W2 - AISI 430 stainless steel (chrome-steel)
- DIN standard:** DIN 3017

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.
