

Pyroflat Layflat water hose (red)

Technical specifications:

The hose has great tensile strength and rubber interior. It can be fully coiled. The exterior fabric has an impregnated coating to make it more abrasion resistant during mechanical duty.

Felirat: Pyroflat - logo

Interior: rubber, black, double polyester fabric reinforcement

Exterior: polyurethane cover for the better weather and abrasion resistance

Certain diameters are available from stock. Meantime, we hold the right of selling the stock in products.

Inside Ø (mm)	Operating pressure (bar)	Bursting pressure (bar)	Weight (kg/m)	Roll size (m)	Article number
