

Rubber hose guard Rubber protection for hose to avoid breaking

Technical specifications:

It prevents the hose from breaking or making damages behind the couplings. Also it gives a comfortable grip with cleaning, sand and other kind of hoses. In case of a hot water hose, it protects from burn injuries by covering the metal parts of the hose.

The basic colour of it is blue but it can be ordered in red, yellow and green too.

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.

Hose outisde diameter mm	Article number
21 mm	460008
23 mm	460004
31 mm	460009
