

SUPER KLEM Wide reinforced galvanized steel hose clamp Wide hose clamp made of galvanized steel

Technical specifications:

The hose clamp is made of wide, two times galvanized steel. The edges of the one-piece steel band, with a steel bolt and a mother hexagon, are rounded.

Naturally we break the box, but in case of buying a whole amount of it, we can give a bigger discount.

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.
