

Wall mounted hose hanger, curved, small Made of stainless steel for 25 m 1/2" or 20 m 3/4" hose

Technical specifications:

Wall mounted galvanized steel hose hanger with a 6 diameter. Its use makes the hose lifetime longer, because it will be less exposed to the mechanical influences. It's recommended from an accident prevention aspect to avoid stumbling on the hose.

Use the right fastening elements, and take in account the reel weight with the water full hose in it. It needs to be fastened to the wall with screws through a sandwich panel.

Shorter hose length stores smaller weight.

Material: zinc-chrome surface treated steel

Weight: 0,45 kg

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.
