

Wall mounted hose hanger, small Made of stainless steel for 25 m 1/2" or 20 m 3/4" hose

Technical specifications:

The stainless steel hose hanger can be mounted to the wall and its use makes the hose lifetime longer, because it will be less exposed to the mechanical influences. It's recommended from an accident prevention aspect to avoid stumbling on the hose.

It is made with 10 mm thick electropolished material, with two bores to mount it on to the wall. Use the right fastening elements, and take into account the wall qualities. It's recommended to be fastened to the wall with screws through a sandwich panel.

Hose capacity:

- 1/2" 25m
- 3/8" 25m

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.
